AFTERCARE**

Established in 2002, Barger Academy of Fine Arts provides arts education to students of diverse cultures in the heart of Brainerd. Through our arts integration programs, students are given the technology, skills and knowledge to be effective members of our school community and a global society. All students rotate through fine arts classes each week. Barger offers dance, drama, visual art, and music. Students also have the opportunity to join the strings program and school choir as afterschool activities. Our campus boast a dance, a black box, and a full art studio.
