Chattanooga High School Center for Creative Arts (CCA) is a nationally recognized public magnet school serving over 600 students in grades six through twelve. Applicants may audition for admission to CCA in any one of the following fine arts concentrations: **acting, communications, dance, instrumental music, musical theatre, visual arts, vocal music, and technical theatre** (grades 9-12 only). CCA students receive rigorous training in their chosen discipline, as well as the opportunity to take classes in other fine arts areas. With an equally rigorous academic program that maintains high expectations for all students in every classroom, CCA truly is a beacon for the arts, where arts and academics share center stage.
