

HAMILTON COUNTY SCHOOL DISTRICT

Parental Consent Form for Student Participation in School Clubs

Hamilton County Schools is committed to creating school environments where every student experiences connection and belonging. In an effort to create opportunities for students to connect with other students, educators, and the school community, we have identified club options for the students of Loftis Middle School. By policy, parental permission is required for any student joining a club(s) at their school. This requirement applies to all clubs. This document is intended to communicate with parents/guardians about the many club options at Loftis Middle School and to provide parents the opportunity to identify any club(s) that they **do not want** their child to participate in. Clubs at Loftis will take place during the school day for 30 minutes on most Wednesday mornings beginning on Wednesday, September 13. Any club that a parent has not “opted out” of on this permission form will be an available choice for their student. Students will be given information about each club and given an opportunity to choose clubs of interest on Tuesday, September 5. If you have questions about any of the club offerings, please reach out to Heather Kuffrey, kuffrey_heather@hcde.org or Kara Rogers, rogers_kara@hcde.org or call the school during school hours at (423) 843-4749.

Parents/Guardians: Please review the list of clubs below, and initial in the “opt out” column, if desired, for any clubs in which you do not want your student to participate. Then please sign at the bottom and return to the school. This form must be completed for all students to participate in clubs. *If you give your student permission to participate in any/all of the listed clubs, simply sign on the appropriate line at the bottom of the club offerings and leave the “opt out” columns blank.**
