## 2023-2024

Student dress should exemplify an atmosphere of learning. Students may not wear any type of dress or look that is distracting or disrespectful including but not limited to vulgarity, obscenities, illegal items, tobacco, alcohol, and to the learning environment. In terms of decisions regarding school dress, the professional judgment of teachers and administrators will prevail. If a student is not sure if an article of clothing is dress code appropriate, he/she should bring it to school and ask a teacher or administrator for approval before wearing the item in question. The decision of administration makes the final decision on dress code questions/issues. *Effective August 14th when a student is out of dress code, the immediate consequence for violating the dress code a placement in ISS until the occurrence number is determined.* The first two days of school will serve as a norming grace period.
