

MISSIONARY RIDGE LEARNING COMMUNITY

MECHATRONICS ACADEMY @ VOLKSWAGEN

8001 VOLKSWAGEN DRIVE, CHATTANOOGA, TN 37416 | 423-582-3043

Mechatronics Akademie is a multifaceted learning environment. Located at the Volkswagen plant, it acts as a launching pad for students to be “ahead of the game” and expedite their higher educational goals while learning in an industrial setting. Mechatronics Akademie offers students the opportunity to earn a high school diploma from their home school, approximately 36 hours towards an associate’s degree, and some industry certifications. Mechatronics Akademie supports student achievement by providing students with the knowledge and skills necessary for post-secondary success.
